- Organic beehive products
- Sustainable beekeeping in developing countries

## **Program**

Oral communications, poster sessions, discussion panels and workshops

## **Local organisers**

Bulgarian Organic Beekeeping Association and Bulgarian Beekeeping Union

## **Apimondia committee**

Gilles Ratia	President, France
Wolfgang Ritter	Pathology Commission, Germany
Nicola Bradbear	Beekeeping for Rural Development Commission, United Kingdom

## **Symposium coordinator**

Stefan Bogdanov, Switzerland and Bulgaria

## **Deadlines**

First call	1.12.2009
Submission of abstracts and early bird registration	1.4.2010
Definite program	1.7.2010

## **Venue and accommodation**

The congress will take place at the Sunny Beach, the biggest Bulgarian Black sea resort, about 30 km from the Burgas International airport. It lies near a small peninsula on which the ancient town of Nessebur is located - an architectural and historic monument of Bulgarian and world culture. There is a wide variety of hotels from 20 to 50 Euros per night.
